grip it and rip it™

Our 4-N-1™ and 2-N-1™ inserts are offered in several different style combinations and textures. Patented features like the **glue channel** on the outside surface of each insert aids in cleaner installation and preventing glue from seeping to surface of the bowling ball. Helpful **size indicators** can be found on the outside and inside of each insert. All inserts have a 40 Shore A durometer hardness unless otherwise indicated.

Unlike traditional bowling tapes, Skin Protection and Fitting (SPF) Tapes are **worn on the fingers or thumb** and can be applied in a variety of ways to modify release, ease grip tension and adjust hole size without major changes to ball drilling. SPF Tapes will also reduce or eliminate discomfort caused by calluses, blisters and cuts.

- Conveniently holds up to 30 pcs of Pre-Cut Fitting Tape or Grip Strips Bowling Insert Tape (see page 11)
- Colors available: Black or Red

A great solution to keep your hands dry and improve grip. Your only option prior to Gamer Grip™ was a messy rosin bag, which leaves a residue and chalk everywhere including your clothes. Avoid chalk and mess forever with Gamer Grip™. Can be used prior to applying skin protection tapes to improve adhesive or without tape. Used and endorsed by professional athletes and e-sport pros, Gamer Grip™ is an essential addition for all top-tier performers. Blocks sweat for up to 4 hours. Non-sticky, feels naturally dry. No residue.
